Mission Statement

The purpose of the Tarrant County Junior Livestock Association, Inc (TCJLA) is to promote and to sponsor the Tarrant County Junior Livestock Show (TCJLS), Sale, Youth Fair and related activities.

Non-Discrimination Statement

No qualified 4-H or FFA exhibitor shall be excluded from participation based on race, color, gender, national origin, religion, or disability.

Definition of Exhibitor

“Exhibitor” means the legal owner of his/her animal/non-animal project(s).

Youth and Parent/Guardian Participation Code of Conduct

All 4-H and FFA Youth Exhibitors and their Parents/Guardians will abide by the rules set forth in the 2023-2024 TCJLS & YF Rule Book or risk forfeiting all privileges, premium money, belt buckle(s), be ineligible to participate in the TCJLS Sale, and be subject to penalties set forth by the Show Superintendent and the Executive Committee, whose decisions shall be final. **4-H and FFA Youth Exhibitors and their Parents/Guardians** shall always conduct themselves with respect for others and shall adhere to all Rules set forth in the TCJLS & YF Rule Book. **FAILURE TO ADHERE TO ALL TCJLS & YF RULES SHALL RESULT IN PERMANENT DISQUALIFICATION** from participation in TCJLS & YF. 4-H and FFA Youth Exhibitors and their Parents/Guardians who violate the TCJLS & YF Rules, or who harass or berate show officials, shall immediately be escorted off premises and risk being barred from the premises for the duration of the TCJLS & YF. Please note that submitting an online entry is an acknowledgement that you have read and understood the TCJLS & YF 2023-2024 Rule Book and are aware of the penalties and consequences regarding any violation of the TCJLS & YF Rules.

Tarrant County Junior Livestock Show & Youth Fair Ethics

Each Exhibitor shall be a member in good standing with a Tarrant County 4-H Club or FFA Chapter and shall be a student enrolled in a public, private, or home school and not be beyond the 12th grade. TCJLS Livestock Exhibitors must own their livestock project(s). Leased livestock projects are not allowed. If an Exhibitor is caught exhibiting a leased animal, they will be penalized under the guidelines set forth by TCJLS & YF.

Exhibitors must have continuously and personally fed and cared for their animal projects or manufactured their non-animal projects under the direct personal supervision of the Tarrant County Extension Agent (CEA), their Agricultural Science Teacher (AST) or their 4-H Club Manager/4-H Club Project Leader (4HCM) from the date of project validation through the Sale. No Exhibitor may substitute for any validated project after the validation date due to death, sale, or other disposition of the project.

Exhibitors may enter the TCJLS & YF as either a 4-H or an FFA member, but not as both. Any Exhibitor who enters as a member of both 4-H and FFA shall have his/her entries disqualified without refund of entry fees. Exhibitors shall not participate in any other county show.

All Exhibitor entries in the TCJLS & YF shall be submitted to the TCJLA by the 4HCM/AST under whose personal supervision the Exhibitor's projects were cared for, fed and/or manufactured. Each 4HCM/AST by signing the entry form certifies to the Tarrant County Junior Livestock Association (TCJLA) that the Exhibitor is the legal owner of his/her animal/non-animal project(s) and that the Exhibitor is eligible to enter and participate in the TCJLS & YF pursuant to the TCJLS & YF rules as published in the TCJLS & YF Rule Book.

At the time the TCJLA receives the Exhibitor entries from the 4HCM/AST, each Exhibitor is presumed to be eligible to participate in the TCJLS & YF by the TCJLA. Any 4HCM/AST who has an Exhibitor who becomes ineligible to participate in the TCJLS & YF according to the Texas Education Code, shall notify the Show Superintendent of such ineligible Exhibitor at or before check-in.

It is the personal responsibility of each CEA/AST/4HCM, each Exhibitor and the parents of each Exhibitor to have read, know, understand, and to fully comply with all rules of the TCJLS & YF and Sale as published in the TCJLS & YF Rule Book. It is the personal responsibility of each 4HCM/AST, each Exhibitor, and the parents of each Exhibitor to carefully check the entry form for accuracy and to ensure that each Exhibitor is eligible to enter and participate in the TCJLS & YF.

Please note that submitting an online entry is your acknowledgement that you have read and understand the TCJLS & YF Rule Book, your agreement to fully comply with all the TCJLS & YF and Sale Rules and that the Exhibitor meets all eligibility requirements to enter and participate in the TCJLS & YF and Sale.

General Rules

- 1. Interpretation and Violation of Rules:** Exhibitors are requested to report any rule violation(s) to the appropriate Show Superintendent immediately so that appropriate action may be taken. Any interpretation of the rules or violation of the rules will be presented to the Divisional Show Superintendent to make the decision to determine how to proceed. The chain of command will be as follows: Divisional Superintendent(s) and then General Superintendent(s) decision, and if an appeal is desired, the proper appeal/protest process and designated fees must be submitted as stated in the rules. If the appeal goes forth to the Executive Board, the Board shall decide with a majority vote by all Executive Board members. Any exhibitor who violates any of the rules will forfeit all privileges and premiums and be subject to such a penalty as the Executive Board may order.
- 2. Eligibility:** The TCJLS & YF is in support of all youth in Tarrant County, Texas. Exhibitors are individually and personally responsible for knowing and complying with all the rules of this show.

Exhibitors must be a member in good standing of a Tarrant County 4-H Club or FFA Chapter and enrolled in a public, private, or home school and not be beyond the 12th grade. Exhibitors must have continuously, personally, fed and cared for their own individual and personal animal/non-animal projects under the direct supervision of a County Extension Agent (CEA), 4H Club Manager (4HCM), or Agricultural Science Teacher (AST). No project may be substituted for any project after the validation date due to death, sale, or other disposition of the project.

Exhibitors may enter as either a 4-H or FFA Member, but not as both. Any Exhibitor who enters as both, will have his/her entries disqualified without a refund of entry fees. Exhibitors may not participate in any other county show.

All 4-H and FFA exhibitors are considered eligible by the TCJLA to participate in the Junior Livestock Show at the same time entries are received from the AST/CEA/4HCM. Any AST/CEA/4HCM who has a member in his/her 4-H or FFA program who becomes ineligible to participate in the TCJLS, according to Texas Education Code, shall provide notification to the Show Superintendent of such ineligible Exhibitor at or before check-in.

- 3. Sold Entries:** Animals validated for major livestock shows may also be exhibited at other shows. Be advised, however, that if any validated animal is exhibited and SOLD at any other show (including a county show), the animal will be ineligible to show at any subsequent major livestock show. Additionally, state validated livestock offered for sale during the feeding period via private treaty, private or public auction will be ineligible to show at any subsequent major livestock show. If ownership changes or has the possibility of changing through a sale offering (including animal(s) purchased back by the exhibitor of validation record), regardless of method or length of time, that chain of animal ownership is considered broken and will be ineligible to show at any remaining livestock shows in the feeding period requiring state validation.
 - A. After the sale of ANY animal that has been State Validated that will not be going on the floor truck (i.e exhibitor is taking the animal home to finish feeding out for personal consumption, etc) MUST have the State Validation tag replaced with a county tag by the species superintendent and the State Tag must be turned in to the State Validation Chair or Co-Chair.**

-
4. **Entry:** Entries shall be submitted by the 4HCM/AST under whose direct supervision the animals or projects were fed, cared for, and will be returned if the entry is turned in by others. The 4HCM/AST shall certify on entry that the animal or project and the owner are eligible under the rules of the show. All livestock exhibitors must successfully complete the Quality Counts curriculum and on-line test with a passing score of at least 80. 4HCM/AST are responsible for making sure each exhibitor passed Quality Counts before signing the entry forms. It is the responsibility of the 4HCM/AST to read all rules and to check each entry carefully before signing. If entries are not correctly submitted, they will be returned.

Entries for each exhibitor from 4-H Clubs and FFA Chapters must be filed with the TCJLA no later than the time and date specified. Entries must be on-line with a ShoWorks Summary Sheet from the 4HCM/AST listing the owners and their entries along with one check to cover the total entry fees of all entries of each 4-H Club or FFA Chapter. Checks should be drawn on 4-H or FFA accounts. Personal checks from 4-H or FFA members will not be accepted. The ShoWorks summary sheet, recipes and check should be mailed in one package to:

Tarrant County Junior Livestock Association, Inc.
P. O. Box 162793
Fort Worth, Texas 76161

All entries must be mailed to the TCJLA Post Office Box, or hand delivered to the TCJLA executive secretary. Checks, summary sheets and recipes for on-line entries must be postmarked no later than the time and date specified. **Late entries will be accepted for up to two weeks after the due date with an additional \$100 PER ENTRY added and collected. If the late \$100 entry fee addition is not paid to the TCJLA PRIOR to February 1 of the current show year, the entry in question will be voided. NO ENTRIES WILL BE ACCEPTED AFTER THE LATE ENTRY DEADLINE, NO EXCEPTION, NO APPEALS/PROTESTS WILL BE ACCEPTED FOR LATE ENTRIES.**

5. **Ownership:** Ownership of market and breeding animals, except for rabbits, is determined by validation and/or a sales receipt indicating an ownership date for market and breeding animals. All animals must be validated through a state validation or by Tarrant County validation process. Ownership of animals does not constitute an entry to the TCJLS. All exhibits must be individually entered by the entry deadline with the proper state or county validation/registration number (if applicable) to be eligible to show during the current show year.
6. **Partnerships:** Partnership animals are not eligible in the TCJLS.
7. **Exhibition of Entries:** The exhibitor/owner must be in attendance to exhibit and sell his/her own entry in the market show. If an exhibitor is determined to be academically ineligible, then the entry is ineligible.

A substitute exhibitor may be used only under the following conditions:

A - When an exhibitor has more than one (1) entry in a class, or

B - When an exhibitor is sick or injured (request must be accompanied by a signed statement from a physician on the physician's letterhead), or with approval of the Divisional Show Superintendent PRIOR to the class being presented to the judge.

If ill, the student must not be in attendance of the show if the show dates are within the dates of quarantine, or the contagious period stated in the signed physician statement.

C - When an exhibitor is participating in another approved school activity (Texas A&M AgriLife Extension, UIL athletic event, etc.). This request must be accompanied by a signed statement from the exhibitor's school principal or designee on school letterhead.

In instances 7-B and 7-C above, a formal substitute exhibitor request **MUST** be submitted to the division superintendent in which the Exhibitor is entered and the show superintendent **PRIOR TO OFFICIAL CHECK-IN AT THE SHOW**. Any substitute exhibitor **MUST be another eligible Exhibitor at the show**.

8. **Fitting/Care:** All market animals must be shorn prior to arrival at show grounds. All livestock departments will be a blow and go show. (i.e No glue, paints, adhesives, powders, oils, etc.) Only 4-H leaders, CEA's, AST's, Exhibitors, and immediate family members will be allowed to assist in the grooming or care of any animal while at TCJLS. No clipping on show grounds is permissible. Violation of this rule can disqualify entry & exhibitor from show and sale.
9. **Animal Care:** Exhibitors must remain in charge of their exhibits and care for them for the duration of the show or have a competent caretaker in charge of them who will be on duty at all times during open barn hours.
10. **Weighing:** All animals or projects to be weighed will be weighed under the supervision of the Division Superintendent. This will be the official weight. Re-weighs, requested by the exhibitor, are NOT permitted. The Executive Committee reserves the right to weigh back any animal at any time.
11. **Special Rules:** Special Rules are published in each department where necessary and if there is a conflict between the Special Rules and the General Rules the Special Rules govern.
12. **Erroneous Entry:** Animals or projects that have been erroneously entered may be transferred to the proper class, prior to judging and at the discretion of Division Superintendent. If such classes have been judged they will not be reopened. No animal or project will be changed from one class to another after the deadline date unless it is ineligible for the class in which it is entered, unless otherwise provided for in these rules.
13. **Decisions:** The decision of the judges will be final in all cases, except where mistake, fraud, misrepresentation, or collusion, not discovered at the time of award, is proven. Any objections to a judge must be submitted in writing as an Official Protest (see Rule 14).
14. **Official Protests:** Official protests must be submitted to the Show Superintendent in writing and accompanied by a \$250.00 cash deposit, which will be forfeited if the protest is not sustained. Protests must state plainly the cause of complaint or appeal, giving good sufficient reasons thereof, and must be delivered to the Management immediately upon the occasion for such protest. Any protest not officially filed within 24 hours of the alleged incident will not be considered. These cases are referred to the Executive Committee, which will have full power to act, and from whose decision there can be no appeal. Judging procedures will not be interpreted for protest investigation.
15. **Liability:** All exhibits will be under the control and direction of the TCJLA, but the TCJLA will in no case be responsible for any loss, injury or damage which may occur. The exhibitor will be solely responsible for any consequential or other loss, injury or damage done to, or occasioned by, or arising

from, any animal or project exhibited by him/her and for its description as given in the catalog. He/she (the exhibitor) shall indemnify the TCJLA against all legal or other proceedings in regard thereto, as well as any damage or injury to any other person or property, caused by the exhibitor or any of the animals or project exhibited with such exhibition or any of the animals or projects so exhibited. All owners or persons in charge of property, livestock or projects shall care for, guard, protect and preserve same, as the TCJLA does not undertake to do so, and it is not to be held responsible for any loss or damage to said property, projects, livestock or the owners or exhibitors thereof.

- 16. Release:** All livestock and/or projects must remain in stalls and/or pens or area of display until their designated release time. There will be no early release for any reason. **Anyone attempting to load livestock and/or projects before their release time may have their truck and/or trailer towed away.** Any violation of release times will cause the forfeiture of all premiums and/or sale monies earned and the exhibitor may be barred from future participation.
- 17. Bedding/Feed:** Feed for animals will be provided by the exhibitor of the animal. All bedding, including pelletized bedding, must be purchased from the TCJLA and will be available to purchase at show if not purchased prior to show.
- 18. Access:** Livestock Exhibitors will be granted access to the livestock area to care for livestock 24 hours per day; however, exhibitors will not be permitted to sleep in the area overnight. Any person or Exhibitor tampering with another Exhibitor's entries without consent will have his/her entries disqualified without refund of entry fees and may be banned from all future shows.
- 19. Photographs:** All exhibitors agree to present themselves and their project(s) at the request of the show officials for official photographs. All photographs taken by the official photographer become the property of the TCJLA. Exhibitors wishing to purchase photographs must contact the official photographer. All exhibitors that qualify for the Sale will pay a fee for the official photograph taken during the sale. Exhibitors hereby grant TCJLA permission to utilize photograph, image or likeness in whole or part for use in official TCJLA publications and promotions.
- 20. Other Photography:** Anyone wishing to photograph or film any aspect of the TCJLS, Youth Fair or Sale must have prior approval from the Executive Officers and Show Superintendent. A TCJLA authorization form must be completed and submitted by January 31 to the Executive Board for consideration. This form can be obtained from the TCJLA Secretary. This authorization form does not apply to media outlets, publications and media approved photographers or to the parents or guardians of participating exhibitors. Family members are to be respectful of other youth exhibitors while photographing or filming.
- 21. Show Ring and Sale Arena Dress:** All youth show and sale participants must wear proper attire while in the show and sale arena. Proper attire includes a collared shirt (long or short sleeves), or a non-collared shirt under a collared vest or blazer. Graphic t-shirts are not permitted even in a layered look. Clothing should be modest in appearance - no midriff-showing, low-cut, or see-through blouses will be permitted. If wearing a layered look, one layer must have a visible collar. Open toed footwear, shorts, and ball caps are not permitted. Failure to comply with the dress code will result in immediate disqualification. TCJLA reserves the right to approve or disapprove attire and will be the final judge in what is considered proper.

TCJLS Sale Rules

1. Prior to the Sale, there will be a Parade of Champions and an Awards Ceremony. This will consist of all Grand and Reserve Grand Champion projects and all Breed and Reserve Breed Champion projects. Recognition will be given to scholarship winners during the parade.
2. The Sale will consist of the following: Grand Champion and Reserve Grand Champion for each market species, and 35% of each weight class (Grand and Reserve will not be included in this percentage). If this leaves a fraction of a sale spot it will be rounded up if over 0.50 and down if 0.49 or lower.

In the unfortunate event that a student earns a sale spot for the auction, but the animal dies before the auction, the student will be allowed to walk the auction without his animal. It will be announced that the animal is deceased. The buyer will not receive the deceased animal and may not return the deceased animal to the student. The student may not earn the additional market value for trucking the animal. Failure to comply with rules shall result in forfeiture of all monies, belt buckle and possible future disbarment from the TCJLS. Only the Show Superintendent can approve any exception.
5. The Show Superintendent, with the assistance of each division's superintendent, will determine the sale order based on final placings of each division as determined by ShoWorks. Exception: If an exhibitor has 2 or more Grands or 2 or more Reserve Champions, the exhibitor will select which Grand or Reserve Champion they will sell and remove the other(s) from the sale order allowing an advancement of exhibitors in all animal divisions. If an exhibitor has a Grand and Reserve Champion, the Grand will automatically be selected. Only one entry will be sold in the sale per exhibitor. The Show Superintendent will have the authority to release an animal from the sale in extreme or unusual circumstances.

8. At the discretion of the Show Superintendent, all sale animals may be paint branded, excluding poultry and rabbits.
