Dear Sponsor:

You are invited to join us in investing in our Future Leaders at the 73<sup>rd</sup> annual Tarrant County Junior Livestock Show and 18<sup>th</sup> Annual Youth Fair on March 7 - 11, 2023 at Will Rogers Memorial Complex in Fort Worth, Texas. Each year TCJLA provides the opportunity for FFA and 4-H youth in Tarrant County to grow and compete by exhibiting their livestock (cattle, goats, horses, rabbits, sheep, and swine) projects. TCJLA also hosts a Youth Fair with horticulture, baked goods, leathercraft, welding, photography, sewing, and creative arts. The show is held annually at the Will Rogers Memorial Complex in Fort Worth, Texas. The 2022 show was another successful event! We are continuing to GROW! Please join us in this growth.

During this event, cash premiums are paid. Awards including buckles, banners and over 500 ribbons are handed out to exhibitors. Please see the following page regarding Sponsorship levels and pricing. Your continued support changes lives. Thank you for your consideration in supporting the Youth of Tarrant County.
